

Florida State University Facility Rentals – NCAA Rules

Thank you for your interest in renting one of the Florida State University's (FSU) facilities on campus. Per NCAA rules and regulations, FSU must follow institutional rental guidelines, including the set rates determined by the University and/or the Athletics Department. It is not permissible to provide anyone a discounted rate unless it meets any specified criteria met within the rental guidelines (e.g., University-Related Persons, Non-University Persons).

In particular, under NCAA rules, the Florida State University, the Athletics Department and all staff are not permitted to provide an outside individual, group or organization a discounted rental fee if they are in anyway associated with prospective student-athletes (including coaches). A prospective student-athlete, as defined by the NCAA, is any individual who is enrolled in ninth through twelfth grade.

If you have any particular questions regarding the NCAA rules and regulations and how they apply, please feel free to contact the Compliance Office at (850) 644-4272.
