Please provide any unique features of this trip:	We will leave early Saturday morning and drive to Lake Hartwell State Recreation Area in South Carolina (6.5 hours away). On the way up we will stop at any place alongside of the road that the participants might want to see. Whether it be a roadside market, a cool place to eat lunch, or a pretty scenic overview. If someone says STOP we do and check out whatever it might be. When we get to SC we will spend the night at a primitive site there, make dinner, and spend some time at the Lake, then in the morning we will head out early checking out a few waterfalls on our way back.
